**APPEAL BRIEF PURSUANT TO 37 C.F.R. §§ 41.31 AND 41.37**

This Appeal Brief is being filed in furtherance to the Notice of Appeal mailed on August 4, 2007, and received by the Patent Office on August 8, 2007. This Appeal Brief is revised in response to the Notice of Non-Compliant Appeal Brief mailed November 2, 2007. In particular, as requested by the Examiner, Appellants revised the Appeal Brief to correctly identify independent claim 26 (on page 3) in the summary of the claimed subject matter, and to list and address grounds of rejections that were previously-inadvertently omitted.

Appellants believe the requisite fee of \$500 for the Appeal Brief was paid in the submission of the original Appeal Brief filed on October 8, 2007. However, the Commissioner is authorized to charge any fees which may be necessary to advance prosecution of the present application, to Account No. 07-0868, Order No. 126726-1/YOD (GERD:0778).

**Conclusion**

Appellants respectfully submit that all pending claims are in condition for allowance. However, if the Examiner or Board wishes to resolve any other issues by way of a telephone conference, the Examiner or Board is kindly invited to contact the undersigned attorney at the telephone number indicated below.

Respectfully submitted,

Date: November 30, 2007
